

Minutes
Air Pollution Control Board
Indiana Government Center South
Conference Room A
402 West Washington Street
Indianapolis, Indiana

March 4, 1998
1:00 p.m.

1. The meeting was called to order by Dr. James Miner, Acting Chairman, at 1:09 p.m. He introduced the members of the board and noted that a quorum was present.

CALL TO ORDER
QUORUM

Present: Dr. James Miner, M.D., Acting Chairman
Randy Staley
Marlow Harmon
Gary Wheaton
George Ewing
John Bacone, Proxy, Department of Natural Resources
Steve Rogers, Proxy, Lieutenant Governor
Thomas Rarick, Technical Secretary
Jeff Bowe

Absent: David Rariden
Howard W. Cundiff, Proxy, State Board of Health
Tom Anderson

Also present were Timothy J. Method, Deputy Commissioner; Felicia R. George, Assistant Commissioner; Janet McCabe, Branch Chief; and staff from the Office of Air Management. Other attendees are recorded on a separate sheet. A Court Reporter was present and a transcript is available for review. Due to the chairman's absence, Dr. Miner served as chair of the meeting.

2. Mr. Method informed the board that House Enrolled Act 1263 passed the **REPORTS** General Assembly and is on the way to the Governor for signature. House Enrolled Act 1263 requires that the manufacturing representative on the Air Board hold a Title V permit, clarifies the appeal time on a regulatory decision IDEM makes on a permit and provides the Air Board with the authority to determine the length of time the public has to appeal a regulatory decision that IDEM makes in rules. Mr. Method reported that IDEM will provide formal comments to EPA's

proposed rule that would require significant statewide reductions in nitrogen oxides. Comments are due to U.S. EPA by March 9,1998.

Ms. George informed the board that the regional local steering committee efforts throughout the states, targeted towards getting local input on the implementation of the new ozone and particulate matter standards, have started and are doing well.

Ms. King briefed the board on the rulemaking process procedures.

Dr. Miner detailed the agenda for the board meeting.

3. Dr. Miner entered into the record Exhibit 1, the proposed rules and Exhibit 1A, the proposed changes. IDEM staff briefed the board on the changes in the rule and explained that this rule would place restrictions on potential VOC emissions from sinter plant operations at steel mills. Tom Easterly, Kenneth R. Burcaw on behalf of Bethlehem Steel and Charlotte Read on behalf of Save The Dunes Council commented on the rule.

**CONSIDERATION OF
FINAL ADOPTION OF
NEW RULE 326
IAC 8-13, Control of
Volatile Organic
Compounds, from Sinter
Plants.**

Mr. Ewing moved to amend the amendments. Mr. Wheaton seconded. The motion passed unanimously. Mr. Bacone moved to final adopt the amendments to 326 IAC 8-13. Mr. Harmon seconded. The motion passed unanimously. Mr. Bacone moved to final adopt the rule as amended. The motion passed 7-0.

4. Dr. Miner entered into the record Exhibit 2, the draft rule. IDEM staff explained that this rulemaking would restructure the minor new source review construction permitting system to make it a more common-sense organized approach and to make sure that the amount of administrative review and effort expended to achieve approvals is connected with the amount of environmental impact that would result from the actions taken after approvals. Gerry Hays, on behalf of American Automobile Manufacturers Association, Bernie Paul, on behalf of Lilly, Blake Jeffrey, on behalf of Indiana Manufacturer Association, and Vince Griffin, on behalf of the State Chamber commented on the rule.

**CONSIDERATION OF
PRELIMINARY ADOPTION OF AMENDMENTS
TO 326 IAC 1, 326 IAC 2
Minor New Source Review
Program.**

Mr. Bowe moved to preliminarily adopt the amendments to 326 IAC 1 and 326 IAC 2. Mr. Ewing seconded. The motion passed unanimously.

5. Dr. Miner entered into the record Exhibit 3, the draft rule. IDEM staff briefed the board that these amendments will remove facilities that are no longer in operation; rename facilities so they are correctly identified; add some facilities that were not in the original rule; and correct emission rates to realistically represent what those facilities are emitting. There were no commentors.

**CONSIDERATION OF
PRELIMINARY ADOPTION OF AMENDMENTS
TO 326 IAC 6-1-9,
Particulate Emission Limits
for Forest Products
Manufacturing Co., Inc.;**

**Styline Industries, Plant
No. 8; and Jasper Wood
Products Co., Inc., Dubois
County.
Operations in Clark, Floyd,
Lake and Porter Counties.**

Mr. Bowe moved to preliminarily adopt the amendments to 326 IAC 6-1-9. Mr. Bacone seconded. The motion passed unanimously.

6. Dr. Miner entered into the record Exhibit 4, the draft rule. IDEM staff briefed the board that these amendments would ensure that as future transportation projects are considered, there is consistency in the transportation and air quality planning in an effective nonattainment area. There were no commentors.

**CONSIDERATION OF
PRELIMINARY ADOPTION OF AMENDMENTS
TO 326 IAC 19-2,
Transportation Conformity
Nonattainment and
Maintenance Areas.**

Mr. Harmon moved to preliminarily adopt amendments to 326 IAC 19-2. Mr. Staley seconded. The motion passed unanimously.

7. Dr. Miner entered into the record Exhibit 5, the draft rule. IDEM staff briefed the board that this rule establishes national emission standards for process vents, storage vessels, wastewater treatment operations, material transfer operations, equipment leaks at synthetic organic chemical manufacturing sources and equipment leak inspection requirements at the same sources. There were no commentors.

**CONSIDERATION OF
PRELIMINARY ADOPTION OF AMENDMENTS
TO 326 IAC 20-11, 326 IAC
20-12 Incorporation of
(NESHAP) for Synthetic
Organic Chemical
Manufacturing.**

Mr. Wheaton moved to preliminarily adopt amendments to 326 IAC 20-11, 326 IAC 20-12. Mr. Bowe seconded. The motion passed unanimously.

8. Dr. Miner entered into the record Exhibit 6, the draft rule. IDEM staff briefed the board that this rule establishes emission standards for various processes that are involved in primary aluminum reduction, including potlines, paste reduction facilities and anode baking furnaces. There were no commentors.

**CONSIDERATION OF
PRELIMINARY ADOPTION OF NEW RULE 326
IAC 20-24, Incorporation of
(NESHAP) for Primary
Aluminum Reduction
Plants.**

Mr. Bacone moved to preliminarily adopt amendments to 326 IAC 20-4. Mr. Ewing seconded.

The motion passed unanimously.

9. The next meeting will be on Wednesday, May 6, 1998, **NEXT MEETING**
at 1:00 p.m., in the Conference Center, Room A,
Indiana Government Center South.

10. Dr. Miner adjourned the meeting at 3:20 p.m. **ADJOURNMENT**

Dr. James Miner, Acting Chairman

Thomas Rarick, Technical Secretary
